

Exuberante 2020

Appellation: Bordeaux, France

Grape Variety: 100% Merlot

Vineyard: Certified Agriculture Biologique and EU Organic

Winemaker:

- Caroline Fluer

ABV: 12%

Winemaker's Comments:

Harvested in late September 2020. Macerated in cold settings before a 15-day alcoholic fermentation at 25°C. Aged 18 months on the lees. Dosage 3%.

Tasting Notes:

The second fermentation, which happens in the bottle itself, creates the “Exubérant” festive bubbles that are both delicate and refreshing. With a delightfully luscious, yet dry and fruity character of wild red berries.

Château La Roberterie

1 Robert, 33890 Juillac, France
